

Step 3: View Main Screen:

Congratulations, you are ready to use your new TIGER Auto Dialer!
Whenever you **double click the Tiger Dialer icon** on your computer desktop, you will see the **Main Screen**. From here, you can navigate to all the functions, including the Phone List Manager.

TigerDialer

You will now see your **Customer Number**, (which begins with the letters **DV**) for use when communicating with our Technical Support.

You can view **FAQ** (Frequently Asked Questions) for answers to your questions or refer to the last page of this **Quick Start** to see **5 Ways To Get Help**.

The screenshot shows the TIGER Auto Dialer software interface. At the top, it displays the title 'TIGER Auto Dialer for VoIP - 1 Line System' and the customer number '# DV1234567890' along with the version 'Ver. 1.0.20'. The interface is organized into three main sections:

- Step 1: WHO do you want to call?** This section shows a 'List Name' of 'SampleList' and a 'List Total #' of '10'. It includes a table with columns for PHONE1, LASTDATE, LASTTIME, C, LC, LASTRESULT, and RECNUM. The table contains several rows of phone numbers.
- Step 2: WHAT do you want people to hear?** This section is for configuring call messages. It includes 'Call Flow of Messages' and 'Recorded Messages' sections with file paths for 'Live Answer' and 'Answering Machine'. There are also 'Post Live Message Options' for '3-Confirm', '9-Do Not Call', and '9-Transfer'. The 'System Status' section shows 'Dialing Status' and 'Schedule Is Off...'. At the bottom of this section are buttons for 'Play', 'Stop', 'Record', and 'Clear'.
- Step 3: WHEN do you want to call?** This section shows scheduling options. It includes 'Begin at: 9 am' and 'Do not call after: 9 pm'. Below this, it shows 'Mil Time: 1336', '0900', and '2100'. At the bottom, it says 'This List Has Been Called 0 Times.' and '08/09/2010 01:36:22 PM'. There are buttons for 'Start', 'Schedule', and 'Stop', and a 'Use Schedule' checkbox.

You will need a **USB or PC microphone** to make recordings for your TIGER Auto Dialer.

Whenever you wish to change your 10 digit Caller ID that is displayed when you make calls, go to: www.ZoomCalls.com, then scroll to the bottom and click on "ZoomCalls Caller ID Change Request".
